

GLO-RAY® MINI-MERCHANDISING WARMERS

Models GRHW-1P, -2P, -1SG, -1SGS

Safe and convenient, Hatco Mini-Merchandisers create impulse sales by placing fresh product in front of the customers. Hatco foodwarmers hold hot product at peak serving temperatures and are ideal for convenience stores, supermarkets, delis, concession stands, snack bars, kiosks, and pizzerias.

FLEXIBILITY

These warmers come in a variety of shapes, sizes, and colors using a limited amount of valuable counter space.

Ideal for generating impulse sales, these countertop hot food warmers are ideal for wrapped product at any time of the day. Top and bottom heat, large sign holder, specially coated incandescent light bulbs, and breath protector are standard. GRHW-1SGS has a slanted base and side enclosures. GRHW-1P, -2P Hors d'oeuvre warmers are available in a one- or two-pan model with a breath protector on one side of the unit.

QUALITY

The following features assure the finest performance for years to come:

- All models feature a thermostatically-controlled heated base to extend the holding times of most food, and a cord and plug set.
- Mini-Merchandisers have prefocused infrared top heat directing heat to the outer edges of the holding surface where heat loss is the greatest.
- Coated shatter-resistant incandescent lights enhance product displays while safeguarding food products from bulb breakage.
- Sturdy acrylic breath protector provides a safe environment when serving food.
