

NARROW LED DISPLAY LIGHTS

Models NLL-30, -36, -42, -48, -54, -60

Hatco Narrow LED Display Lights are great for use in tight spaces and keeps the focus on food items being displayed.

FLEXIBILITY

Narrow LED Display Lights are Hatco's newest narrow-style that is ideal for installation in tight spaces, and where no heat is required. Providing a bright display area, the LED lighting is ideal above refrigerated product areas where an attractive glow is needed to enhance your food products. This lighting will deliver significant savings because of lower energy consumption, longer bulb lifetime and greater reliability.

QUALITY

The following features assure the finest performance for years to come:

- Available in widths from 30" to 60".
- Supplied with non-adjustable 1 1/2" angle brackets for under-shelf mounting.
- Optional Designer powdercoated colors, Gloss finishes, Plated finishes, and Stainless Steel housing available.

Model NLL-30 in Designer Black (standard)
