

SERV-RITE™ PORTABLE BUFFET WARMERS

Models SRB-1, SRBW-1 SRG-1, SRGBW-1 SRSS-1, SRSSBW-1

The Hatco Serv-Rite™ Portable Buffet Warmers are designed to keep prepared foods at optimum serving temperatures without affecting quality. They are perfect for self-serve buffet areas and customer serving points. All Serv-Rite Buffet Warmers feature a thermostatically-controlled heated base, durable stainless steel construction, sturdy aluminum extrusions, and a 6' (1829 mm) cord and plug.

FLEXIBILITY

Ideal for use in buffet lines and as hors d'oeuvre displays for self-serve areas. These unique elliptical foodwarmers are available with or without overhead halogen heat lamps and glass sneeze guards.

QUALITY

The following features assure the finest performance for years to come:

- Safely holds hot food at proper serving temperatures.
- Base is thermostatically controlled with digital temperature indicating display.
- Available with halogen lighting in models SRBW, SRGBW, and SRSSBW.
- Available in seven *Designer* colors: Warm Red, Black (standard), Gray Granite, White Granite, Navy Blue, Hunter Green, or Antique Copper. Also available in Anodized Nickel finish, and Gloss Finish Bold Black. Non-standard colors are non-returnable.
- The SRSS-1 and SRSSBW-1 models feature a heated surface with your choice of four Decorative Swanstone® colors: Gray Granite, Bermuda Sand, Night Sky (standard), and Sawgrass. Non-standard colors are non-returnable.
- Standard models equipped with removable utensil tray for easy cleaning.
- All units come with a 6' (1829 mm) cord and plug.
- Optional single sided clear or smoked glass sneeze guards available.
