SUPER ERECTA SHELF® COUNTER UNITS

- **Counter Units** are constructed with two upper and two lower shelves. Intermediate shelves can be added.
Upper shelves: 14" wide.
Lower shelves: 24" wide.
Counter shelf height: 34¹/₂" from floor.*
- **Super Erecta Shelf® Construction:** Provides fast, secure assembly, easy shelf accessibility with 1" shelf adjustability.
- **Shelf Interchangeability:** Embossed, louvered/embossed and wire shelves can be substituted for or intermixed with flat shelves when ordering by components. (Wire not suitable for counter top.)
- **Versatile:** Standard components can be used to construct a work table to suit your exact requirements.
- **Sanitary:** Shelves can be easily cleaned.
- **Adjustable Feet:** Bolt levelers compensate for surface irregularities.

*Counter shelf must be positioned per assembly instructions.

Other units with shelves above and below a work surface can be assembled from standard Super Erecta shelf® components and accessories. The one shown provides a very large work surface and utilizes 12" wire cantilever shelves as upper shelves.

Job _____

SUPER ERECTA SHELF® COUNTER UNITS

TO ORDER BY COMPONENTS

1. Order shelves and back posts from sheet #10.20 (and sheet #10.01 if wire shelves are wanted) or from price list.
2. Order special front posts from table below or price list.
3. For accessories, see sheets #10.25 and #10.30. The following accessories are popular for these units:
 - Plastic Bin Markers
 - 8" Shelf Dividers
 - 4" Shelf Ledges
 - Adjustable Undershef Slides (lower shelves only)
 - Foot Plates
4. For mobile units or special configurations, consult your InterMetro representative.
