<input type="checkbox"/> JMBR-72	72" MESQUITE BROILER

STANDARD FEATURES

- One-piece fuel container (body)—deep drawn from heavy plate stock quality steel
- 1" thick hi-temp refractive ceramic insulating liner bonded to interior liner
- Completely mobile—no gas "hook-up" (recommended fuel is mesquite chips)
- Cooking grids can be independently raised or lowered by the unique balance mechanism to control product temperature requirements
- Grids are manufactured from quality steel rod and plate, and welded for extra strength and long life
- Superstructure shield constructed from 14 gauge stainless steel, removable without tools
- Body has front cleaning hatch for easy removal of ashes
- 3" casters, front two locking

AVAILABLE OPTIONS

- Stainless steel 8" extended plate shelf
