

## EPOXY SHELVEING: Cooler & Freezer Storage

Item #	Quantity

### SPECIFICATIONS

**SHELVEING:** Open wire design construction offering great light penetration, lighter weight, and air circulation which will allow for minimal dust build up. They are "triple truss" to help in weight distribution loads. Weight capacities are 800 lbs for units 48" length and below, while the 54" to 72" hold up to 600 lbs.

**POSTS:** Shall be of 1" outside diamter. They shall have grooves every 1" space and have an exposed number every 2" for easier lining up of shelves when attaching to posts. Top of shelves have finished plastic caps. The bottom of shelf shall have screw in leveling foot (supplied) and the ability to accomodate a screw in caster application without purchasing a different post.

### WARRANTY INFORMATION:

Product will be free from defects in material and construction at the time of shipment. Johnson-Rose will replace and defective unit for period of 1 (one) years from the original date of installation, provided they have been properly installed and maintained. Johnson-Rose is liable to replace said defective piece, but under no circumstance will we pay any labor claims or subsequent damage.

*Los términos de venta del Catalogo de Johnson-Rose Corp. aplican siempre. El producto estará libre de defectos en el material y construcción al momento del envío. Johnson-Rose reemplazará cualquier unidad defectuosa por manufactura por el periodo de un año a partir de la fecha de instalación original, asumiendo que la instalación y el mantenimiento de la unidad han sido los adecuados. Johnson-Rose Corp. reemplazará la pieza defectuosa, pero bajo ninguna circunstancia se responsabilizará por cargos de mano de obra o daños subsecuentes.*

**Green Epoxy finish** shelves are further warrantied against rust formation over more than 5% of the shelving surface up to five (5) year of the original date of installation.

*Los estantes de acabado en Epoxi Verde jade una garantía adicional contra la corrosión en un más de un 5% sobre su superficie hasta de cinco años a partir de la instalación original.*
