# SRCM SERIES CHEESEMELTERS

Sierra's SRCM Series is a gas powered Cheese Melter that is built with Sierra quality and power in mind. It has a fully stainless steel exterior, preventing rust and corrosion. This will allow the cheese melter to keep its new shine, and to remain in perfect working order for years to come. The interior is aluminized steel, and the unit comes with a nickel plated shelf that has four different adjustable positions. The SRCM Series also has a drip pan making the machine convenient and sanitary.

## STANDARD FEATURES

- Available as range mount, counter mount or wall mount.
- Rapid Fire ceramic infrared tile burners.
- Each burner is individually controlled.
- Three adjustable rack positions.
- Fully stainless steel exterior.
- 4" adjustable legs
- Ignition by standing pilot
- Drip pan is easily removed for cleaning.
- The SRCM Series comes shipped with Natural Gas orifices pre-installed. An additional set of L.P Gas orifices are included.
