

Max Pro® Silicone Lubricant

DESCRIPTION

Max Pro® Silicone Lubricant is a deep penetrating, high grade silicone lubricant that reduces friction on rubber, plastic, and metal parts. It leaves a silicone coating to protect against subsequent corrosion. Clings to surfaces without running or dripping. Eliminates static charges and is safe on plastics. Non-toxic formula.

DIRECTIONS

Shake well before using. Insert extension tube. Spray six to eight inches toward surface. For difficult jobs allow to soak in several minutes.

RECOMMENDED FOR

Engines • Motors • Nuts • Bolts • Locks • Chains • Gears • Hinges • Spark Plugs • Starters • Distributors • Rollers • Wheels • Bearings • Rubber Bushings • Rubber Mountings • Guide Rails • Guards • Sewing Machines • Slides • Chutes • Casters • Belts • Conveyors • Fishing Rods • Window Channels • Slicers • Grinders • Mixers • Molds • Zippers • Valves • Foam
