MC-V5504

Panasonic Vacuums...Since 1954

Motor Protection System

Motor Protection System

This advanced vacuum system channels dust and dirt particles directly into the vacuum bag, which helps protect the fan and motor.

Bypass Valve

Helps prevent motor damage.

Belt Guard and Anti-Swallow Guard

The belt guard and power cord anti swallow guard help to prevent broken belts.

Cord Hook

The sturdy cord hook makes storing the 50-foot heavy-duty commercial cord easy.

Clean-Out Port

Provides easy access to clean away debris.
