TSC12IBW-MH			

Note: Sode gun system not included. Shown for clarity only.

## **Features**

- Available in 17" and 27-1/2" depths
- Quality, all stainless steel construction, smooth inner liner with no exposed joints or seams
- Keeps juice, mix, syrups, wine and beer bottles chilled and at arms reach.
- Model TSC12IBW-MH includes tooless "flip-down" integrated soda manifold housing designed for use with Wunder Bar® and Schroeder America™ 8-14 product soda gun/manifolds.
- Manifold mounts to inside cover for easy access and service. Keeps soda lines out of customers' view.
- Stainless steel legs install without tools and have "Rust-free" thermoplastic feet.
