Transportation Cart Cover & Pallet
Model # COVER & PALLET

Date Modified: 07-01-2006

COVER

General Construction

- Grey Cover Material - Nylon
- Fabric material hand cut, hand measured and hand sewn
- Double stitched full ribbon seam - black
- Fits entirely over the chairs (qty 25 C450/440, qty 50 C600)
- The bottom fit is to just cover the pallet (provides a great visual inventory method - Unit of one equals 25 or 50)
- Zipper along one end (plastic) 42" long
- Lower plastic "Fastec" clip 18" from the bottom with the strap that goes completely around the cover
    - When adjusted tight and clipped the cover is totally secure and the chairs remain dirt free

Capacities

- 50 - C600 EventXpress™ Portable Folding Chairs resting flat in a raised rigid plastic pallet
- 25 – C450/C440 Resin Wedding Classic™ Folding Chairs resting flat in a raised rigid plastic pallet

PALLET

General Construction

- ABS material
- Thermoformed with .150" material
- Black color
- Approximately 20" x 40"
- Movement with a two fork chair dolly, a pallet jack, or a fork truck
- Rests on three (3) runner supports
- 1" deep tray that contains the first chair
    - Subsequent chairs stack on top of each other.

Capacities

- 50 - C600 EventXpress™ Portable Folding Chairs
- 25 – C450/C440 Resin Wedding Classic™ Folding Chairs
