Revolution™ Training Table with DS-Style Leg

SPECIFICATION

18x60", 18x72", 18x96", 24x60", 24x72", 24x96", 30x60", 30x72", 30x96" Training Tables (patents pending)

Table Tops

- Core Construction
 - Core is an engineered lightweight composite
 - Weights
 - 18x60 w/ "DS" leg = 32 lbs
 - 18x72 w/ "DS" leg = 34 lbs
 - 18x96 w/ "DS" leg = 41 lbs
 - 24x60 w/ "DS" leg = 35 lbs
 - 24x72 w/ "DS" leg = 38 lbs
 - 24x96 w/ "DS" leg = 45 lbs
 - 30x60 w/ "DS" leg = 38 lbs
 - 30x72 w/ "DS" leg = 42 lbs
 - 30x96 w/ "DS" leg = 50 lbs
- Laminate surface and backer sheet are WilsonArt® horizontal-grade high-pressure laminates
 - Meet or exceed NEMA specifications
 - GREENGUARD® Indoor Air Quality Certified
 - Wood fiber content constructed of a minimum 20% post-consumer waste paper (SCS certified)
- Table top profile is 1-1/2"

Molded Edge

- Table features a poured urethane elastomer edge system designed for specialty molding applications
- Edge profile is a symmetrical "eased" shape
- Edge color is black
- Edge is mechanically bonded to the table top and flush with the top and bottom surfaces (no gaps)
- Edge is seamless
- Edge has good color stability and mar resistance, with a tensile strength (ASTM D412) of 1,480 psi and durometer of 95 Shore A

"DS" Style Folding Leg

- Leg features 1 1/4" diameter cold-rolled powder coated steel tubing
 - For extra strength, steel horizontal cross-bars (tubing) are inserted fully into each vertical tubing component and joints are hand welded around the entire circumference of the joint
 - Each folding leg hinge secured to table top with six (6) sheet metal screws
 - All rivet are solid steel and all joints are hand welded
 - Vertical tubing rests on four non-marking plastic glides
 - Locking mechanism is a drop-ring gravity lock
- 18" wide tables
 - Offset Roman Numeral II Leg
 - 13" base width
- 24" wide tables
 - Centered Roman Numeral II Leg
 - 19" base width
- 30" wide tables
 - Centered Roman Numeral II Leg
 - 25" base width
- Leg is finished with black nylon plastic flat knock-in end caps
- Four (4) patented plastic corner leg mounting devices hold legs securely
 - Each corner screwed to table top with five (5) sheet metal screws
 - Each cross-bar end secured by a plastic corner
 - Each made with one (1) stacking bumper to prevent laminate damage in storage
- Table top is 30" from the floor

Revolution™ Training Table with DS-Style Leg

SPECIFICATION

Modesty Panel (optional)

- Modesty Panel is a Solid Phenolic Core laminate
- Solid phenolic panels provide superior impact, chemical and stain resistance.
- Panel thickness is 1/8"
- Removable Modesty Panel
 - Modesty panel has two (2) holes for mounting with no additional hardware
 - Two (2) Swell-action latches attached to the table that, when engaged, hold the modesty panel securely to the table
 - All measure 9 1/4" high x 59", 71" or 95" long

Metal Finish

- All metal parts are treated for corrosion resistance and paint adhesion
- Powder-coated metal surfaces are finished with a baked on black epoxy powder coating for superior resistance to abrasion, marring & scratching

Warranty

PS Furniture warrants that its Revolution Training Tables shall be free from defects in original materials and workmanship for a period of twelve years from the original shipment date.

Warranty on sales for rental use is limited to one year. This warranty shall not apply to normal wear and tear or in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application and modification or repair by persons not authorized by PS Furniture. The company will, at its discretion, repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
