Revolution™ Training Table with T-Style Leg

SPECIFICATION

18x60", 18x72", 18x96", 24x60", 24x72", 24x96", 30x60", 30x72", 30x96" Training Tables (patents pending)

Table Tops

- Core Construction
 - Core is an engineered lightweight composite
 - Weights
 - 18x60 w/ "T" leg = 30 lbs
 - 18x72 w/ "T" leg = 35 lbs
 - 18x96 w/ "T" leg = 41 lbs
 - 24x60 w/ "T" leg = 35 lbs
 - 24x72 w/ "T" leg = 38 lbs
 - 24x96 w/ "T" leg = 45 lbs
 - 30x60 w/ "T" leg = 40 lbs
 - 30x72 w/ "T" leg = 44 lbs
 - 30x96 w/ "T" leg = 51 lbs
- Laminate surface and backer sheet are WilsonArt® horizontal-grade high-pressure laminates
 - Meet or exceed NEMA specifications
 - GREENGUARD® Indoor Air Quality Certified
 - Wood fiber content constructed of a minimum 20% post-consumer waste paper (SCS certified)
- Table top profile is 1-1/2"

Molded Edge

- Table features a poured urethane elastomer edge system designed for specialty molding applications
- Edge profile is a symmetrical "eased" shape
- Edge color is black
- Edge is mechanically bonded to the table top and flush with the top and bottom surfaces (no gaps)
- Edge is seamless
- Edge has good color stability and mar resistance, with a tensile strength (ASTM D412) of 1,480 psi and durometer of 95 Shore A

Folding Lift Handle (72 and 96" Long Tables))

- On the bottom center of the length there is a black folding steel handle for lifting and transport
 - Grip Diameter 5/16"
 - 4" wide x 2 1/4" high
 - Magnet for holding the folding handle to the bottom surface

"T" Style Folding Leg

- Leg features 2" diameter 18 gauge steel tubing
- T-leg base
 - 16" wide for 18" wide tables
 - 22" wide for 24" wide tables
 - 26" wide for 30" wide tables
- Leg is finished with powder-coated steel flat knock-in end caps, matching the leg color
- Table top is 30" from the floor
- Leg foot choices:
 - Four (4) 2-1/2" long x 1/2" wide x 1/2" high fixed height plastic feet riveted to the leg base
 - Four (4) adjustable levelers
 - 5/16" diameter stud x 1 1/4" long
 - 1" diameter nickel plated cap
 - Recessed inline wheels on one (1) leg with two (2) 2-1/2" x 1/2" x 1/2" fixed height plastic feet riveted to the leg base OR
 - Recessed inline wheels on one (1) leg with two (2) 1" diameter adjustable levelers
- Stacking Bumper
 - Material is santoprene
 - Durometer of 55 Shore A
 - Color is black
 - Bumper measures 1.5" long x 3/4" wide x 3/16" high

Folding Mechanism

- Mechanism is mounted to core with self drilling, self tapping screws into a 1/8" thick aluminum plate
- Mechanism construction is nylon injection mold with extruded aluminum articulating parts
- Mechanism articulates with positive lock into folded (vertical) and upright (horizontal/planar) positions

Ganging (optional)

- Two (2) permanently mounted TPU ganging straps per table
- Two (2) 1" diameter x 1/2" high aluminum ganging studs per table
- A hole in the strap engages over the ganging stud in the adjacent table
- A lift tab on the strap provides easy removal of the strap from the stud
- Tables can be ganged end to end or face to face

Revolution™ Training Table with T-Style Leg

SPECIFICATION

Modesty Panel (optional)

- Modesty Panel is a Solid Phenolic Core (Compact) laminate
- Solid phenolic panels provide superior impact, chemical and stain resistance.
- Panel thickness is 1/8"
- Folding Modesty Panel (option 1)
 - Permanently attached with a full-length piano hinge connected to the table with three screws and riveted to the modesty panel
 - Center hold-down mechanism on the bottom of the table secures the panel in the closed position for storage
 - 18" wide tables
 - Requires a center fold, has two (2) full length piano hinges riveted to the panel
 - Weight is 4-6 lbs.
 - Total unfolded panel height is 7 1/4"
 - 24" wide tables
 - Weight is 4-6 lbs.
 - Height is 7 5/8"
 - 30" wide tables
 - Weight is 4-6 lbs.
 - Height is 9 1/4"
 - Length (18, 24, and 30" wide tables)
 - Standard lengths are 59", 71", or 95"
 - With table ganging 54", 66", or 90"

Metal Finish

- All metal parts are treated for corrosion resistance and paint adhesion
- Powder-coated metal surfaces are finished with a baked on black epoxy powder coating for superior resistance to abrasion, marring & scratching

Warranty

PS Furniture warrants that its Revolution Training Tables shall be free from defects in original materials and workmanship for a period of twelve years from the original shipment date. Warranty on sales for rental use is limited to one year. This warranty shall not apply to normal wear and tear or in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application and modification or repair by persons not authorized by PS Furniture. The company will, at its discretion, repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
