Rollers™ Portable Reception™ Table

SPECIFICATION

30, 36" dia. Round / 30", 42", and Adjustable Heights

Table Tops

- Core Construction
 - Core is a proprietary engineered composite
 - Tops weigh 1.84 lbs/ sqft
- Laminate surface and backer sheet are WilsonArt® horizontal-grade high-pressure laminates
 - Meet or exceed NEMA specifications
 - GREENGUARD® Indoor Air Quality Certified
 - Wood fiber content constructed of a minimum 20% post-consumer waste paper (SCS certified)
- Top is 1-3/16" thick

Molded Edge

- Table features a poured urethane elastomer edge system designed for specialty molding applications
- Edge profile is a symmetrical "eased" shape
- Edge color is black
- Edge is mechanically bonded to the table top and flush with the top and bottom surfaces (no gaps)
- Edge is seamless
- Edge has good color stability and mar resistance, with a tensile strength (ASTM D412) of 1,480 psi and durometer of 95 Shore A

Table Top Articulating Mechanism

- Mechanism is mounted to core with self drilling, self tapping screws into a 1/8" steel plate
- Mechanism construction is nylon injection mold with extruded aluminum articulating parts
- Mechanism articulates with positive lock into folded (vertical) and upright (horizontal/planar) positions

Base Assembly

- Center Column is constructed of 14 gauge, 3 inch diameter round steel tubing
- Adjustable height mechanism (optional)
 - Includes gas-assisted spring with 60 psi of pressure
 - Height adjustment range is 12" with 13 points, 1" apart
 - Lowest table top height is 30" and highest is 42"
 - Handle is formed steel with polymer dipped coating for comfort and anti-slip
 - Connecting shell and support ring are made of glass filled nylon
- Base
 - Constructed of 1/2" thick steel
 - Vertically offset main bars enable table nesting
- Casters
 - Four (4) 3" dia. locking glass-filled nylon with 5/16-18" stem
 - Maximum weight bearing of 150 lbs each

Metal Finish

- All metal parts are treated for corrosion resistance and paint adhesion
- Powdercoated metal surfaces are finished with a baked on black epoxy powder coating for superior resistance to abrasion, marring & scratching

Warranty

PS Furniture warrants that its Rollers Portable Reception Tables shall be free from defects in original materials and workmanship for a period of five years from the original shipment date. Warranty on sales for rental use is limited to one year. This warranty shall not apply to normal wear and tear or in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application and modification or repair by persons not authorized by PS Furniture. The company will, at its discretion, repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
