AutoClean®

Continuous Cleaning & Drain Maintenance System for Toilets and Urinals

- Enhances Cleanliness and Image Round-the-Clock
- Easy In-line Installation
- World-Class Reliability in Fixture Cleaning and Drain Maintenance

AutoClean® - Continuous Cleaning & Drain Maintenance System for Toilets and Urinals

AutoClean® Systems ensure that toilets and urinals are always clean, odor-free and presentable. Equipped with either Purinel® for clean fixtures and maintained drains, or Cleaner and Deodorizers for hygienic fixtures with a pleasant scent, AutoClean® Systems deliver powerful formulas that attack and eliminate odors at the source – automatically cleaning fixture surfaces, day and night.

Enhances Cleanliness and Image Round-the-Clock

- Dramatically improves the overall cleanliness and image of any washroom
- Powerful formulas eliminate the breeding ground of bacteria and odors at the source

Easy In-Line Installation

- Allows cleaning solution to reach the hard to clean areas, such as rim holes, ensuring that the whole fixture is cleaned
- No need to shut off the water
- Easy drill-through chrome connection kit

World-Class Reliability

- Proven programmable dispensing technology
- Delivers consistent metered dosage of Purinel to prevent build up of calcium on pipes and scaling

Environmentally Efficient and Cost Effective

- Controlled dispensing eliminates over use and places less chemicals into waste streams
- Industry leading battery life up to 3 years (2 "D" Cell alkaline batteries)

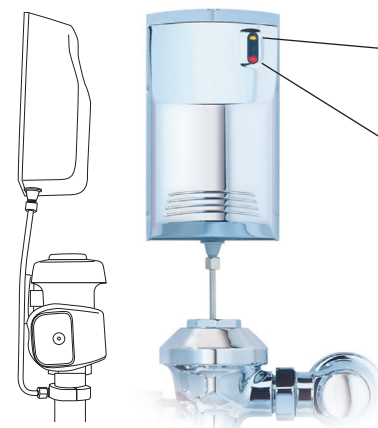

AutoClean® LCD Features:

- Visual Battery Gauge
- Patented Days to Refill Display
- Flexible Programming Options:
 - 8, 12, 16, or 24 hour operation
 - 5, 6, 7 day operation
 - Programmable start time setting

ADA COMPLIANT

Connection Kit

AutoClean® LED Features:

- Battery Indicator - Yellow
- Replace Refill Indicator - Red
- Flexible Programming Options:
 - light, normal, or heavy settings
 - activates every 7, 14, or 28 minutes

AutoClean® Service Features:

- Battery Indicator - Yellow
- Flexible Programming Options:
 - 30, 45, or 60 day refill operations
