

# FOOD WARMERS: MERCHANDISERS

## BUTTER SERVER, SUPREME™

Model BSW-SS

 **BSW-SS 86540**

ALSO AVAILABLE FOR EXPORT

### TWO YEAR WARRANTY

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For a copy of our complete warranty statement, please refer to [server-products.com](http://server-products.com).

### BID DESCRIPTION

The Supreme™ butter warmer BSW-SS is designed with pump and spout warmer opposite the instrument panel side and dispenses directly from a supplied 3 quart (2.8 L) stainless steel jar. A brushed (#4) stainless steel body with black thermoset plastic bottom and top house its stainless steel pump which features a cast valve body with captured balls to prevent loss. Portions are preset to yield ¼ ounce (7 mL) per stroke and can be increased up to 1 ounce (30 mL). Unit also includes a magnetic Butter merchandising sign (86791).

An adjustable, precalibrated thermostat turns the 500 watt heating element off and on as needed. The base also features a water fill line to eliminate overflow accidents and a "Power On" light. Power is controlled by an On/Off rocker switch.
