

## **MAGNETIC—EVERYTHING IN ITS RIGHT PLACE**

he Magisso Sinkware consists of three magnetic innovations to store your kitchen cleaning products out of sight, yet within easy reach. The Sponge Holder keeps your scrub sponge neatly attached to your sink.

Magisso's patented magnetic fitting allows the holders to be installed quickly to a sink without the use of tools. They all come with two magnet parts and all you have to do is to place the magnets on both sides of the sink and place the holder on the desired spot.
