- Double pantry faucet with 12" swing spout (DF-12)
- Single pantry faucet & bracket with 60" pot filler (SF-60)
- Double pantry faucet & bracket with 60" pot filler (DF-60)

SPECIFICATIONS:

Southbend gas fired, counter tilting skillet. The **GCTRS-16** is constructed of one piece covered corner, 10 gauge stainless steel with a #4 exterior finish and a polished interior. The pan sides slope outward to facilitate access to the cooking surface. Cooking surface shall be 3/8" thick stainless steel clad plate, fitted with clamped on electric heating elements, rated at 7.5 kW, for even heat transfer over entire cooking surface. Pan shall be fitted with side pivots mounted in sealed, stainless steel clad consoles mounted on a 10 gauge stainless steel base with #4 finish. Pan shall be fitted with a stainless steel tilt handle with heat resistant knob for tilting the pan forward for complete removal of contents.

Controls shall be integrally mounted and shall include a power switch, solid state thermostat, temperature pilot light, electronic ignition, ignition light, and high temperature cut-off. Burner turns off automatically when pan is tilted.

The skillet shall operate in a temperature range of 100°F to 450°F (38°C to 232°C)

The skillet can be mounted on a 30" (762 mm) wide stainless steel stand with sliding drain pan and stationary drain.

AGA/CGA Certified and NSF Approved.
