**LoSUDS... the ultimate solution for
Commercial Coffee applications:**

- Use concentrated...quickly dissolves burned on coffee stains
- Use mixed... mix only one ounce for three gallons of water to clean pots.
- Economical.... **LoSUDS** is currently used by many coffee services as their coffee cleaning "solution".

Coffee Maid

Bar Maid's new Coffee Maid Decanter cleaning system

the fastest, easiest and most effective way
to clean commercial coffee pots.

The Coffee Maid system is based on the proven Bar Maid Glass Washing system used for nearly half a century by many of America's largest chains.

Coffee Maid, the ultimate Pot Washer features:

- Portable....sets up in almost any sink in seconds with no special plumbing or electrical.
- Saves time and money..... rotating brush removes tough stains and build up fast.
- Proven..... approved for safety and sanitation to UL, CSA and NSF Standards by ETL.

Bar Maid
ELECTRIC GLASS WASHERS

Cost effective.... inexpensive to purchase, maintain and operate.
