

Ultra Pan Carriers®

Top Loading

For GN Food Pans

Models UPC100, UPC140

Features & Benefits

- Rugged and dependable, these Ultra Pan Carriers provide an exact fit for a wide variety of GN Full and Fractional size Food Pans.
- Create a wide variety of service configurations for food transporting using Cambro's GN Fractional Food Pans and 12" (32,5 cm) Divider Bars. Easily transforms these Ultra Pan Carriers into a mini food bar, salad bar or condiment station!
- GN 1/1 Full Size Food Pan capacity:
 - Model UPC100 - 3 each 2 1/2" (6,5 cm) deep
- 2 each 4" (10 cm) deep
or 1 each 8" (20 cm) deep
 - Model UPC140 - 1 each 4" (10 cm) deep
or 1 each 6" (15 cm) deep
- One-piece seamless, double-wall, high-density polyethylene construction is durable, lightweight and dishwasher safe. Textured exterior is scratch resistant.
- Foamed-in polyurethane insulation helps to ensure excellent food temperature retention, hot or cold.
- Recessed vent cap located on the top is easily opened to help equalize pressure and release steam.
- Four durable nylon latches and an airtight gasket ensure excellent temperature holding performance. Latches will not rust and gasket removes for complete cleaning.
- Easy to load and unload by removing Food Pans using finger notches.
- Molded-in handles on all four sides provides a comfortable grip for easy transporting. (UPC100 has two top molded-in handles.)
- Unique interlock design on the bottom and top corners ensures secure stacking for more efficient transportation and storage. Also stacks with Camcarriers®. (Model UPC100 does not stack with other models).
- Optional Camdollies™ offer easy transporting.
- Non-electrical.
- No assembly required.
- Available in 13 colors. Color variety offers quick food content identification and inventory control at-a-glance.
