

BEVERAGE SERVERS

Application

Beverage servers come in a variety of popular colors with a contrasting white lid. Replacement lids available. Double-wall insulation maintains temperature of hot or cold beverages. For thermal efficiency, attractive presentation - and unsurpassed choices in size, styling, and colors - choose Dinex® insulated beverage servers. Not intended for use in microwave.

Material

The 44 oz. and 10 oz. Beverage Servers are molded from polypropylene. The 44 oz. server is reusable and air-void insulated. The 10 oz. foam insulated server uses disposable lid No. 1180/8714. Latex free construction.

010 oz.: Server for Individual

Service: The convenient two-serving size makes this server an ideal choice for traytop or table

service. The double-wall, foam insulated construction provides efficient temperature retention for both hot and cold beverages. Use with Dinex® disposable lid No. 1180/8714.

44 oz.: Beverage Server: Serve coffee, juice, water or other beverages in this generously sized pitcher with attractive Danish styling. Durable double-wall construction provides superior thermal efficiency for hot or cold beverages. The wide-pitcher design makes it easy to add ice and to clean.

Washing Instructions:

Weekly, soaking 6-8 hours, using Dinex® "Warebrite" No. 314418. Wash in commercial dishmachine. Do NOT use bleach. Can withstand washing temperatures up to 180°F.
