BFL-2 AND BFL-3 PERFECT-FIT™ IN-COUNTER CUP DISPENSERS

DISPENSE-RITE's PERFECT-FIT™ cup dispensers are the only dispensers you will need for a variety of paper, plastic and foam cups and containers. Dispensers feature an interchangeable FDA approved silicon baffle gasket system. Quality 304 Series stainless steel construction combined with DISPENSE-RITE's no-jam design guarantees years of reliable dispensing performance.

The quick-release mounting bracket fully supports the dispenser in horizontal, angled or vertical mounting positions. No additional support is necessary. All models are NSF listed.
