EventXpress™ C700 Folding Chair

SPECIFICATION

Specification Components

- Dining height, multi-purpose folding chair for educational, hospitality, public assembly and event seating
- Chair features
 - Tubular steel frame with molded polypropylene back and replaceable vinyl covered padded seat
 - “Fan-shaped comfort-back” constructed of durable plastic material
- Each chair weighs 10 pounds

Frame

- Tubular steel frame is constructed of 18 gauge, 1” diameter cold-rolled steel tubing
- Chair Tips
 - Features a soft rubber external “crutch tip” that fits snugly to chair frame to prevent scratching of floors
 - Soft rubber tips tend to resist cracking and splitting better than hard plastic tips
- Fan Back
 - Formed plastic seat back designed for maximum support and comfort
 - Replaceable seat backs are attached to frame with hexagonal head screws
- Frame Dimensions
 - 17 5/8” wide x 42 1/2” tall

Seat

- Contoured Back
 - Formed plastic chair back is designed for maximum support and comfort
 - The chair back is attached with Phillips head screws for convenient replacement.
- 1 1/2” thick, replaceable, vinyl covered, padded seat attached to 18 gauge, formed steel frame
- Seat Dimensions
 - 15” wide x 15 1/2” deep x 1 1/2” thick

Metal Finish

- Complete steel chair frames are dipped into a phosphate wash solution to clean all metal surfaces – interior and exterior – prior to powdercoating
- Frames are finished with a baked on epoxy powder-coat paint
 - The result is a high quality decorative finish
 - Offers superior resistance to abrasion, marring & scratching

Warranty

PS Furniture™ warrants that its EventXpress™ folding chairs shall be free from defects in original materials and workmanship for a period of three years from the original shipment date.
