Job _____ Item No. _____

MOD200 Series 12" X 20" Two-Well Heavy Duty, Top-Mount, Rectangular Drop-In Food-Warmers

Model MOD200

DESCRIPTION

Wells heavy-duty, top-mount, drop-in, Modular food warmers are designed to hold heated foods at safe and fresh serving temperatures. Wells MOD200 Series accommodates two 12" X 20" standard food pans or equivalent fractional inset pans and are designed for wet or dry operation

SPECIFICATIONS

Construction – One-piece stainless steel top flange and heavy-gauge, deep-drawn stainless steel warming pans are standard features on all models. Wellsloks are standard for quick and easy installation.

Insulation – Sides, front, back and bottom are fully insulated for energy savings, efficiency, quicker pre-heat and faster recovery.

Controls & Heating- Individual controls for each well provide maximum versatility. Models with thermostatic or infinite controls are available. High-limits prevent overheating. Temperature-ready indicator lights are standard on all control types. Powerful tubular heating elements are located under the warming pans for quick and efficient heating and for even heat distribution.

Additional Features Available

- Auto water-fill to maintain proper water level.
- Select models are field convertible from 1 Ø to 3 Ø
- Drains
- Drains with manifolds
- Cord & Plugs available on thermostatically control models
- Infinite or thermostatic controls

STANDARD FEATURES

- Accommodates two 12" X 20" standard inset pans or equivalent fractional pans
- One-piece stainless steel top flange and heavy-gauge, deep-drawn stainless steel warming pans
- Suitable for wet or dry operation (wet recommended for best results)
- Energy-saving fully-insulated construction
- Fully Insulated models are perfect for non-metal counters
- Thermostatic or infinite controls
- Separate control for each individual well
- High limits prevent overheating
- Thermostatic controls are recessed in a one-piece, drawn, front-mounted panel
- Wellslok standard for ease of installation
- Powerful tubular heating elements
- ½" drains and manifolds available
- Cords & plugs available on all 208/240V models
- 2-Year Limited Parts & 1-Year Limited Labor Warranty

OPTIONS & ACCESSORIES

- Adaptor tops for round insets
- Inset with lid
- 8oz. soup ladle
- Drain value extension kit
- Drain screens
- Wellslok extension kits for wood counter installations
- Cords & plugs available on all 208/240V models
- Optional 72" wiring
