

Star Manufacturing

STAR GRILL-MAX[®] ACCESSORIES UNIVERSAL PASS THRU CANOPY

Features/Benefits:

- ★ Star's Sneeze Guards have ultra clear plastic to provide a clear view of products.
- ★ Easy installation - fits tightly on sides of roller grills - no tools required.
- ★ Maintain cooking and warming temperatures more evenly.
- ★ Pass thru style for self-serve applications.
- ★ Meets NSF2 requirements.
- ★ Heavy-duty polycarbonate & powder coated steel material for years of maintenance free service.
- ★ Sneeze guards have nesting framework to provide a secure fit for all Star roller grills.

Model 50SG-PTU

Application:

Models are available to fit all new and old style Grill-Max Pro and Grill-Max Express roller grills (Models 20 excluded). Complete your needs by adding a sneeze guard to protect your products and spur impulse sales.

Quality Construction:

Star's line of sneeze guards are constructed of 3/16" thick formed polycarbonate and powder coated steel for easy maintenance free service.

Warranty:

Sneeze Guards are covered by Star's one year parts and labor warranty.
