

## DRAWER WARMERS

**Models SDW1, SDW2, SDW3, SDW2C, SDW3C, SDW1N, SDW2N, SDW3N, SDW2NC & SDW3NC**

### Features/Benefits:

- ★ Star Drawer Warmers heat your menu items and keep them at the right temperature and texture until they are ready to be served.
- ★ “Easy to read” LED display for improved visibility of temperature reading.
- ★ Electronic temperature controls for quick and easy adjustment of temperature.
- ★ Separate temperature controls for multiple drawer models help store a variety of food in individual drawers with different temperatures. (Available on only “C” models.)
- ★ Heavy-Duty drawer slides incorporate 14 gauge stainless steel drawer track and stainless steel roller bearing for years of trouble free operation.
- ★ Positive drawer catch system for lock tight fit.
- ★ Individual drawer control for moisture and crispness.
- ★ Temperature ranges from 100-200° for a variety of products.
- ★ Standard 12x20x6 stainless steel pan included for each drawer.
- ★ Perimeter element positioned under each pan for accurate heat distribution.
- ★ Easy loading and removing of food pan without tilting to prevent spills.
- ★ Stack up to four drawers high of the same model without needing a stacking kit.
- ★ Fully insulated on all sides.
- ★ Optional caster base available.

**Model SDW2C**

**Model SDW3C**

### Application:

Perfect for any food service applications including full service restaurants, recreational facilities, and fast food restaurants. Choose from a variety of different models and sizes to suit any food service volume requirement.

### Quality Construction:

Heavy duty, stainless steel construction provides years of trouble free operations. Standard features include metal sheathed tubular elements, electronic controls and “easy to read” thermometer. High strength, stainless steel drawer tracks with hardened, self lubricated rollers for “positive close” action and 4” legs are provided. A 6’ lead in cord, NEMA 5-15P plug and CEE7-7 plug for 230V units are standard.

### Warranty:

Drawer warmers are covered by Star’s one year parts and labor warranty.
