

OMELET MAKER

Model SOM7R1E

Features/Benefits:

- ★ Star's two egg omelet maker cooks mouth-watering omelets for break fast, snacks or anytime you want.
- ★ One-step omelet making. Pour in the eggs, add extra toppings and close the lid.
- ★ Omelets ready in 2:45.
- ★ Heavy-duty non-stick coating meet the demands for improved durability and cleanability.
- ★ Full floating hinge design made of stainless steel rises evenly for equal expansion for evenly cooked omelet every time.
- ★ Digital electronic timer from 0 to 9:59 and temperature controls from 250° to 425°F take the guesswork out of preparing omelets.
- ★ Tubular elements located on top and bottom grid provide even heat distribution.
- ★ Easy to read on/off switch with indicator light signals when omelets are ready.

Applications:

From cafes, hotels, snackbars and coffee shops to full service restaurants, Star has the perfect omelet maker for your food service application.

Quality Construction:

Star's omelet makers are built of polished stainless steel with heavy-duty non-stick cast aluminum plates and feature a heavy-duty stainless steel hinge. Metal sheathed tubular elements in the top and bottom grids, electronic temperature control and a digital electronic timer with precision settings are standard. Models are provided with NEMA 5-15 plug for 120V and a NEMA 6-15 plug for 208V or 240V and CEE7-7 for 230V units. Canadian 120V models come with NEMA 5-20 plug. 6' cord included.

Warranty:

Star's omelet makers are covered by Star's one year parts and labor warranty.
