Traulsen shares your commitment to Corporate Sustainability initiatives and knows that it is more than just meeting the current and future regulatory requirements set by the EPA and DOE. We are committed to reducing global warming potential (GWP) and saving energy consumption while maintaining the performance and quality you have come to expect from Traulsen products.

Traulsen is proud to offer the North American market a broad selection of self-contained reach in and compact undercounter refrigeration with R290, a natural recurring refrigerant with a GWP of (3), the lowest currently available in our industry.

Standard Product Features

- · High Quality Stainless Steel Exterior Front
- Corrosion Resistant Anodized Aluminum One-Piece Sides
- Durable Anodized Aluminum Interior
- · Microprocessor Control With LED Temperature Readout
- Top-Mounted, Balanced, Self-Contained Refrigeration System
- Large High Humidity Evaporator Coil Outside The Food Zone
- · Load-Sure Guard Protects Against Improper Loading
- · Full or Half Length Hinged Glass Doors With Locks
- Self-Closing Doors With Stay Open Feature At 120 Degrees
- Guaranteed For Life Cam-Lift Hinges
- Stainless Steel Vertical Door Handle(s)
- · LED Lights With Exterior Switch
- Damage Resistant Stainless Steel Breaker Caps
- Three (3) Adjustable Epoxy Coated Shelves Per Section, Supported On Shelf Pins (installed at the factory)
- Energy Saving Automatic Non-Electric Condensate Evaporator
- Magnetic Snap-In EZ-Clean Door Gaskets
- · Anti-Condensate Door Perimeter Heaters
- Thermostatic Expansion Valve Metering Device Provides Quick Refrigeration Recovery Times
- Stainless Steel One-Piece Louver Assembly
- 9' Cord & Plug Attached
- Set of Four (4) 6" High Casters With Locks
- · Three Year Parts And Labor Warranty
- Five Year Compressor Warranty

Sustainability Features

- SNAP compliant R290 (GWP 3) Refrigerant EPA Rule 20
- All Metal Construction And Long Equipment Life Reduces Pressure On Landfills
- Real World Energy Efficiency Helps Reduce Fossil Fuel Emissions

Optional Accessory Kits

- Additional Epoxy Coated Shelves*
- No. 1 Type Tray Slides* To Accommodate either: (1) 18" x 26" or (2) 14" x 18" Sheet Pans, Adjustable To 2" O.C.
- No. 4 Type Tray Slides* To Accommodate (1) 18" x 26" Sheet Pans (equips one full section)
- Universal Type Tray Slides* To Accommodate Either (1) 18" x 26" or (2) 14" x 18" Sheet Pans, or (2) 12" x 20" Steam Table Pans, Adjustable To 4" O.C.
- Plated Shelves* (for use in lieu of standard shelving)
- EZ-Change Interiors (#1, universals, universal heavy duty tray slides and shelves)
- 6" High Adjustable Legs (for use in lieu of standard casters)

*Please refer to spec sheet TR35872 for optional accessory kit details.
**All optional accessory kits are shipped separately for later installation by others at the jobsite.

Many Traulsen models are EPA Energy Star listed. Please refer to www.energystar.gov to view the most up-to-date product listing and performance data.

This unit is listed to UL 471, CSA 120 and NSF 7 by an approved NRTL. Consult the factory or unit data plate for approval information.

Approval:			

Specifications

Construction, Hardware and Insulation

Cabinet exterior front and louver assembly are constructed of 20 gauge stainless steel. Cabinet sides (including returns) and interior are constructed of anodized aluminum. The exterior cabinet top, back and bottom are constructed of heavy gauge aluminized steel. A set of four (4) 6" high casters are included.

Doors are equipped with removable plug cylinder locks and guaranteed for life cam-lift, gravity action, self-closing metal, glide hinges with stay open feature at 120 degrees. An exterior mounted switch is provided to operate the interior LED lighting. Each door includes a vertically mounted stainless steel handle.

Gasket profile and Santoprene® material simplify cleaning and increase overall gasket life. Anti condensate heaters are located behind each door opening.

The cabinet is insulated with an average of 2" thick high density, non-CFC, foamed in place polyurethane.

Refrigeration System

A top mounted, self-contained, balanced refrigeration system using R290 refrigerant is conveniently located behind the one piece louver assembly. It features an easy to clean front facing condenser, thermostatic expansion valve, air-cooled hermetic compressor, large, high humidity evaporator coil located outside the food zone and a top mounted non-electric condensate evaporator. A 9' cord and plug is provided. Standard operating temperature is 34 to 38°F.

Controller

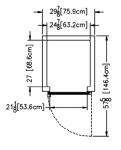

The easy to use water resistant microprocessor control system is supplied standard. It includes a 3-Digit LED Display, and a Fahrenheit or Celsius Temperature Scale Display Capability.

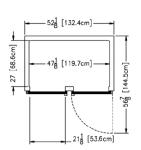

Interior

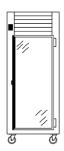

Standard interior arrangements include three (3) epoxy coated wire shelves per section, mounted on shelf pins, installed at the factory. Shelves are full-width, and do not have any large gaps between them requiring the use of "bridge" or "junior shelves." Recommended load limit per shelf should not exceed 225 lbs.

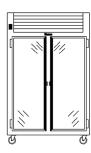

Warranties

Both a three year parts and labor warranty and a five year compressor warranty (self-contained models only) are provided standard.

NOTES:

- 1=Figures in parentheses reflect metric equivalents.
- 2=Figures in partitions of situation in the capital forms and the capital forms are a variable on the cabinet bottom.
 3=Based on a 90 degree F ambient and 20 degree F evaporator.
 4=12" Top clearance preferred for optimum performance and service access.
 5=Net capacity may change depending on specific cabinet model.

- 6=When ordering please specify: Voltage, Hinging, Door Size and Options.
- 7=This unit may be manufactured in other electrical characteristics and may have additional regulatory agency approvals.
- Consult factory for other electrical characteristics and agency approvals based on specific electrical and country requirements.
- (For exact electrical information and approval marks, always refer to the data label of the unit.)
- 8= Continued product development may necessitate specification changes without notice
