Glass Door Merchandiser:
Swing Door Refrigerator Remote Condenser with LED Lighting

GDM-72-RC-LD

- ▶ The world's #1 manufacturer of glass door merchandisers.
- ▶ Oversized, factory balanced, refrigeration system holds 33°F to 38°F (.5°C to 3.3°C).
- ▶ Exterior - non-peel or chip white laminated vinyl; durable and permanent.
- ▶ Interior - attractive, NSF approved, white aluminum interior liner with stainless steel floor.
- ▶ Self closing doors. Positive seal, torsion type closure system.
- ▶ "Low-E", double pane thermal insulated glass door assemblies with extruded aluminum frames. The latest in energy efficient technology.
- ▶ Entire cabinet structure is foamed-in-place using Ecomate. A new, innovative, high density, polyurethane insulation that has zero ozone depletion potential (ODP) and zero global warming potential (GWP).
- ▶ Storage on top of cabinet.

Glass Door Merchandiser:
*Swing Door Refrigerator Remote Condenser
with LED Lighting*

STANDARD FEATURES

DESIGN

- True's commitment to using the highest quality materials and oversized refrigeration systems provides the user with colder product temperatures, and lower utility costs in an attractive merchandiser that brilliantly displays packaged food and beverages.

REFRIGERATION SYSTEM

- Remote cabinets (condensing unit supplied by others; system comes standard with 404A expansion valve and requires R404A refrigerant). Consult factory technical service department for BTU information. All remote units must be hard wired during installation.
- Factory engineered Thermostatic expansion valve system
- Extra large evaporator coil balanced with higher horsepower compressor and large condenser; maintains cabinet temperatures of 33°F to 38°F (5°C to 3.3°C).
- Sealed, cast iron, self-lubricating evaporator fan motor(s) and larger fan blades give True merchandisers a more efficient low velocity, high volume airflow design. This unique design ensures faster temperature pull down of warm product, colder holding temperatures and faster recovery in high use situations.

CABINET CONSTRUCTION

- Exterior - non-peel or chip white laminated vinyl; durable and permanent.
- Interior - attractive, NSF approved, white aluminum liner with stainless steel floor.

- Insulation - entire cabinet structure is foamed-in-place using Ecomate. A high density, polyurethane insulation that has zero ozone depletion potential (ODP) and zero global warming potential (GWP).
- Welded, heavy duty steel frame rail, black powder coated for corrosion protection.
- Frame Rail fitted with 6" (153 mm) legs.
- Illuminated exterior sign panel. Variety of sign options available.

DOORS

- "Low-E", double pane thermal insulated glass door assembly(ies) with extruded aluminum frame(s). The latest in energy efficient technology.
- Each door fitted with 12" (305 mm) long extruded handle.
- Self closing door(s). Positive seal, torsion type closure system.
- Magnetic door gasket(s) of one piece construction, removable without tools for ease of cleaning.

SHELVING

- Twelve (12) adjustable, heavy duty PVC coated wire shelves 24 1/4"L x 22 1/8"D (616 mm x 562 mm). Four (4) chrome plated shelf clips included per shelf.
- Shelf support pilasters made of same material as cabinet interior; shelves are adjustable on 1/2" (13 mm) increments.

LIGHTING

- LED interior lighting provides more even lighting throughout the cabinet. Safety shielded.

MODEL FEATURES

- Evaporator is epoxy coated to eliminate the potential of corrosion.
- See our website www.truemfg.com for latest color and sign offerings.
- Convenient clean-out drain built in cabinet floor.
- Listed under NSF-7 for the storage and/or display of packaged or bottled product.

ELECTRICAL

- Unit is prewired and ready for the final connection to a 115/60/1 phase, 15 amp circuit that will need to be made in the field. No power cord included.

OPTIONAL FEATURES/ACCESSORIES

Upcharge and lead times may apply.

- Black exterior.
- Stainless steel exterior.
- Black aluminum interior liner with black shelving.
- Stainless steel interior liner.
- 6" (153 mm) seismic/flanged legs.
- Red wine thermostat.
- White wine thermostat.
- Chocolate thermostat.
- Additional shelves.
- TrueFlex gravity feed organizers.
- Pricing strips.
- Self contained capillary tube system
