Vertical Air Curtain

Open Display Merchandisers

Model : TOM-60E

Self-cleaning condenser system

≡ FEATURES & BENEFITS ≡

▪ **Modern design**

By harmonizing curvature and rigidness, our modern style product designs are user-friendly while maintaining the highest product visibility and aesthetics.

▪ **LED lighting interior display system**

Brighter and longer lasting LED lights provide attractive, enhanced illumination compared to fluorescents. It saves energy by producing less heat, while maximizing the visibility in the display area.

▪ **Self-cleaning condenser system**

The accumulation of dust in the condenser causes the failure or breakdown of refrigerators. Refrigerators run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products in refrigerators. The self-cleaning condenser system keeps the condenser clean and prevents system failure by automatically brushing daily.

▪ **Environmentally friendly, efficient refrigeration system**

Turbo Air's refrigerators are designed with oversized and balanced environmentally friendly R-404A (CFC Free) refrigeration. These include large evaporators and condensers for faster cooling and balanced temperature throughout the cabinet.

▪ **Energy saving night curtain standard**

▪ **Designed to enhance impulsive sales**

Ideal for eye-catching displays and convenient access with fast service in high traffic area.

▪ **Non-peel, durable anti-rust coating on the exterior reduces fingerprints**

▪ **Standard back-guard improves airflow**

▪ **Foamed with polyurethane, high-density cell insulation (CFC free)**

▪ **Perforated interior back wall and top for improved airflow**

▪ **Front air intake and rear air discharge**

▪ **Standard color comes in black only**

ELECTRICAL DATA	
Voltage	115/60/1
Plug Type	Ⓢ NEMA 5-20P
Full Load Amperes	15
Compressor HP	1
Refrigerant	R-404A
DIMENSIONAL DATA	
Net Capacity cu. ft.	35.3
Ext. Length Overall in.	60 (1524mm)
Ext. Depth Overall in.	29 1/2 (749mm)
Ext. Height Overall in.	81 1/8 (2061mm)
Net Weight lbs.	648
Gross Weight lbs.	842
# of Shelves	4
Self Size	56 3/4 x 15 1/2

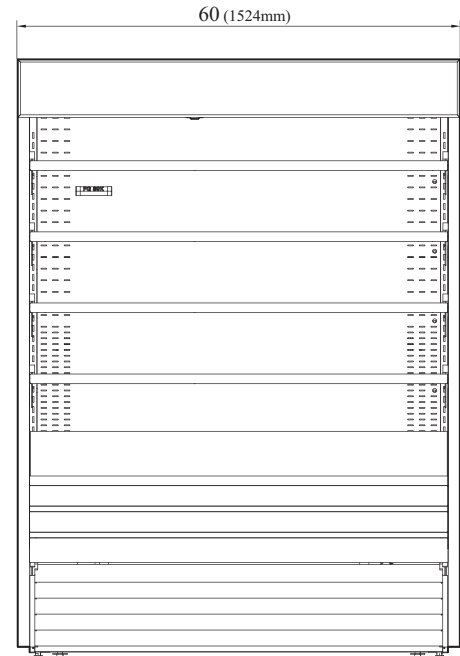

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.

- **WARRANTY : 2 Year Parts and Labor Warranty**
Additional 3 Year Warranty on Compressor

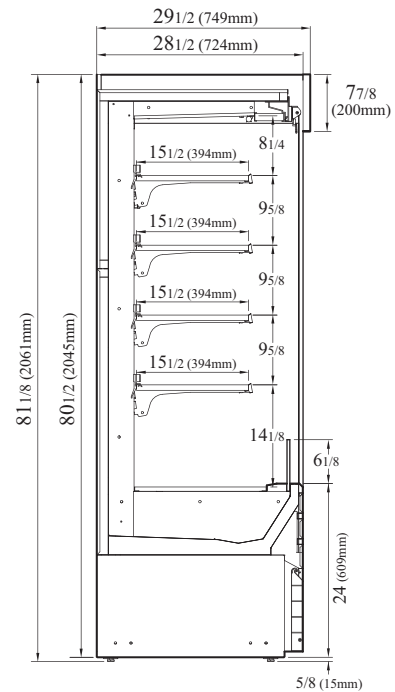

- **Simple plug-in installation**
- **Patented self-contained system, no plumbing required**
