Sandwich/Salad Unit - Drawers

Food Prep Tables-Sandwich/Salad Prep
 Super Deluxe Series

Model : TST-60SD-D2

**EXCEPTIONAL 3 YEAR
 PARTS & LABOR WARRANTY**

- Drawer pans not included.

FEATURES / BENEFITS

■ STAINLESS STEEL CABINET CONSTRUCTION

The Turbo Air Super Deluxe model boasts a stainless steel interior and exterior (galvanized steel back & bottom). It guarantees the utmost in cleanliness and long product life. The Super Deluxe can add a touch of style to the most refined setting.

■ CONVENIENT CUTTING BOARD SIDE RAIL

Our cutting board is 9 1/2" deep and 1/2" thick to provide ample working space, and is made of easy to use and sanitize LDPE (Low Density Polyethylene). The new side rail cutting board bracket makes it easy to secure and remove the cutting board and it accepts different sizes too (max. 1/2" thickness)

■ HOT GAS CONDENSATE SYSTEM

Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.

■ INSULATED PAN COVER

■ HIGH-DENSITY POLYURETHANE INSULATION

The entire cabinet structure and solid doors are foamed-in-place high density, CFC free polyurethane insulation.

■ EFFICIENT REFRIGERATION SYSTEM

Turbo Air's solid door refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

■ MAGNETIC DOOR GASKETS

Magnetic door and drawer gaskets are of one piece construction, removable without tools for ease of cleaning and replacement.

■ DURABLE STAINLESS STEEL DRAWERS

Drawers are easy to clean and assemble. Each drawer can hold two(2) full size (12"L x 20"W x 8"D) food pans. (Food pans and divider bars sold separately)

■ ERGONOMICALLY DESIGNED DOORS

Customers' fatigue fades away with easy grip handles and doors that open effortlessly. These features along with self-closing doors make this the ultimate choice in customer convenience. ABS sheet door liners resist water condensation with thermal efficiency.

■ REFRIGERATOR HOLDS 33°F ~ 39°F FOR THE BEST IN FOOD PRESERVATION
