Classified by UL to NSF Std. #4

Specifications

Wittco Models 200-1-SL-1M0ZN and 200-2-SL-1M0ZN Slim-Line one and two drawer heated drawer warmers are provided with a 12" x 20" x 6" steam table pan for each drawer. Recessed control panel containing dual indicator light and full range thermostat for temperatures up to 190°F (88°C), and individual elements and thermometer for each drawer. Heavy duty 14 gauge stainless steel drawer slides and stainless steel roller bearings provide for smooth dependable operation of the drawers. Each self-closing drawer comes with a moist/crisp vent control and the oversize drawer handle is welded to the drawer front for increased durability. Drawer slides and elements carry a lifetime replacement warranty. Fully insulated with 1" in the side walls and top. Cabinet interior and exterior are both constructed out of 20 gauge stainless steel. Each unit comes complete with 5" adjustable legs and a 6 foot cord and NEMA 5-15 plug (6-15 plug for 208/240 volt units). 120 volts, 600 watts, 5 amps per drawer.
